FUTURE CLASSICS

Die Kultur und Heritage der Marke Burlington zum Ausdruck zu bringen, Traditionen zu bewahren, sie dennoch neu zu interpretieren und auf eine frische Art und Weise hervorzuheben, stellt den Kern der Frühjahr/Sommer 2024 Kollektion – **Future Classics** – dar.

Wir glauben fest an den emotionalen Wert unserer Heritage, deshalb geht es in dieser Saison - gemäß dem Zitat von Vivienne Westwood - um **Innovation auf der Grundlage von Tradition**.

Ein Ansatz, mit dem Burlington sich in eine schnell verändernde Zukunft bewegt, in der wir uns auf all das stützen, was uns definiert und prägt. Durch **neue Ideen, die innovativ sind, aber unsere Heritage** respektieren, entwickeln wir uns mit Burlington beständig weiter.

Wir kreieren eine Kollektion, in der die **Vergangenheit auf die Zukunft trifft**, in einer Mischung aus langlebigen Klassikern, die auf frische Art und Weise neu interpretiert werden, mit einer zeitlosen sowie modernen Qualität.

Vertraute britische Muster werden aufgefrischt und wiederentdeckt, um eine neue Geschichte zu erzählen, in starken Farben, Mustern und Strukturen: im Herzen traditionell und doch modern in ihrem Aussehen.

Highlighting the fresh and modern feel of the season, while staying authentic & true to our rich Heritage, represents the essence of the Spring/Summer 2024 collection - **Future Classics**, blending the traditional with the contemporary.

We have a strong belief in the emotional value of our Heritage, so following the quote of Vivienne Westwood, this season is all about **innovation based on tradition**.

A gentle approach where we are firmly moving forward to a fast-changing future by drawing on all that defines and shapes us, constantly evolving our brand through **new ideas**, that are **bold but respectful to our heritage**.

We create a collection where the **past meets the future** in a blend of **longlasting classics** reinvented in fresh new ways with a timeless, yet modern quality.

Familiar British patterns are updated and rediscovered with a new story to tell, in amped up colours, bold new scales and strong textures: traditional at heart yet modern in their appearance.
